FoxMagicPlus Accounting and Inventory System

When doing business tied you to your swivel chair...

the solution is either buy a more comfy chair or switch from manual operations to web-based business management that will grant you vacations while on business.

FoxMagicPlus Accounting and Inventory System offers you faster, easier and smarter ways to do business

Key Features

- ✓ **24/7 Real-time Visibility.**
FoxMagicPlus is fully accessible on the web, giving you real-time monitoring and control over business transactions anywhere you go.
- ✓ **Unlimited user access.**
With one-time software installation on your server, unlimited number of users can access and use the program. Absolutely no added cost!
- ✓ **Multi-locations accessibility.**
Multiple branches, offices, and company subsidiaries can access the program to manage and record important transactions. You get updated and collaborated reports from multi-locations on-time.
- ✓ **Centralized database.**
With a centralized database, you have full control on data security and data-handling protocols. You get the information you want retrieved in your browser.
- ✓ **Single license for software and database.**
Get to experience all the system features including full use of databases when you buy the software. Save your resources on a no added license cost for databases.
- ✓ **Multi-platform compatibility.**
FoxMagicPlus is compatible to Linux, Microsoft and Mac OS. You don't have to change to another operating platform just to run the program.
- ✓ **Customizable.**
The only program that conforms to what you need to effectively run your business. You have the power to customize it specifically to your industry.
- ✓ **Full-time service support.**
We are not just for the sale. Our after sales support departments are always ready to help you experience the promise of FoxMagicPlus.

INDUSTRY STANDARD

Access anywhere using industry standard compliant browsers, database and coding technologies

SATISFACTION GUARANTEED

Ever since I got Foxmagic Accounting and Inventory software for my Laboratory Equipments and Chemical Supplies business of 20 years, it gave me a real peace of mind, so much so that I can fully delegate our daily operations to my grown-up children and spend more time in doing charitable works."

Mr. Alfredo Li

President (Yana Chemodities, Q.C. & Cebu)

Phil. Presiding Officer (Tzuchi Buddhist Charity Foundation)
